## MASTERY OF SKILL WORKSHOP

**“Embracing autonomy in daily tasks is the inaugural stride towards crafting a responsible individual”**

The school is thrilled to share that it is embarking on a delightful week-long journey dedicated to nurturing independence and responsibility in our young learners.

1. Cultivating a sense of accountability in day-to-day responsibilities.
2. Nurturing self-reliance through engaging hands-on life skills.
3. Inspiring gradual strides toward a more independent and responsible mindset.
